## Shims

# Shims

- quick and accurate assembly

■ 100% recycled plastic

■ EPD verified

■ Does not split when piercing nails/screws

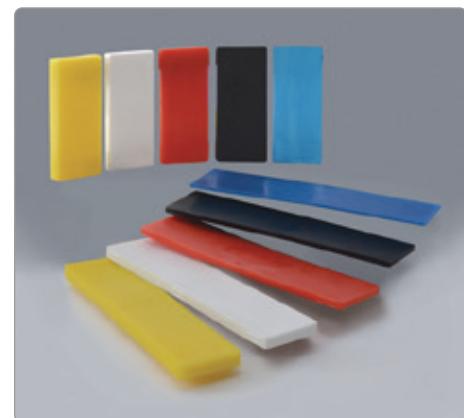

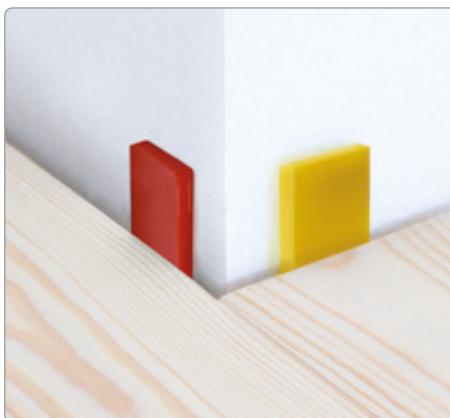

■ Documented lifespan of min. 75 years

■ Not affected by damp, rot, or dry rot

■ No toxic smoke in case of fire

Shims are typically used in connection with the insertion of thermal glass, the installation of kitchens, bathrooms, floors and windows, but are also used in countless other contexts in everyday life.

These versatile helpers are available in 2 different lengths, each with 5 different, color-coded thicknesses which are easily cut to size with a hobby knife or similar to ensure optimal fit.

	H	W	L	Pcs. / Carton / Pallet			Item No.
	1	22	50	1000	96	1	987316051
